

This listing of claims will replace all prior versions and listings of claims in the application:

**LISTING OF CLAIMS**

1. (Currently Amended) A dried consumable composition which comprises in admixture:

(a) a dried juice as a powder from an edible berry with acids and sugars removed by an adsorption resin retaining anthocyanins, bioflavonoids and phenolics with removal of the acids and sugars and then the absorbed anthocyanins, bioflavonoids and phenolics eluted from the adsorption resin with ethanol and then dried by lyophilization to remove the ethanol and to produce the powder; and

(b) a food grade carrier which is a pre-dried berry pulp, wherein the composition has antioxidant and anti-inflammatory activity.

2. (Currently Amended) A dried consumable composition which comprises in admixture:

(a) a juice as a powder from an edible berry with acids and sugars removed by an adsorption resin retaining

MSU 4.1-690  
Appl. No. 10/776,980  
Amendment dated: February 13, 2008
